Job Description

ABOUT BMP

B Morrow Productions is a creative and production firm in Orlando, Florida. Representing a new methodology of how creative work is developed with a unique collaborative approach between clients and the talents of BMP. Considered an entrepreneurial, fast paced and creatively driven studio BMP offers considerable room for personal and professional growth for studio talent (we don't use terms like employees and team members...you are the talent). With clients around the globe in various market sectors including theme parks, zoos, live entertainment, resorts, and educational experiences; the BMP team always has a wide variety of projects to dive into providing growth and ownership into project development.

BMP was founded on the belief of creating a safe, equal, and creative space for creators and makers. We believe in an inclusionary group of talents will not only create better for our clients but represent the full audience we are designing for. IDEA (inclusion, diversity, equality, and accessibility) are our design beliefs not only for our clients but for our studio. At BMP your complete, unique, and wonderfully talented whole self can come to the studio each day, or sometimes work at home, to create and make amazing spaces and experiences.

BMP is also uniquely a 100% LGBTQ+ owned and operated business as certified by the NGLCC.

YOUR ROLE

As the **Scenic Fabricator**, you will be responsible for fabricating and bringing to fruition themed props, décor, and scenic elements while fully upholding the design intent for our clients. You will be working under the guidance and leadership of the Production Studio Foreman or their respective appointee. You will be working with the Production Studio leaders, Producers, other fabricators and apprentices to create, assemble, set dress, and install key show set pieces and décor for projects nationwide. Responsibilities include assessing client needs, using specialized skills and equipment to create custom pieces, and ensuring the final product meets quality standards. Our ideal candidate has a keen eye for detail, strong technical skills, and experience with a majority of these skills: scenic painting, faux painting, spray technician, prop modification, 3D printing, sculpting, cast and mold, and set dressing. Ultimately, the role of the *Scenic Fabricator* is to produce high-quality, custom pieces that meet or exceed our clients' unique needs and expectations. This includes but is not limited to Theme Park Attraction Props, Halloween, and Christmas show sets and other attraction projects.

You will be responsible for maintaining a clean and well-organized workspace.

Furthermore, you will also have the opportunity to work on highly confidential projects for our clients in the resort, experience, and theme park industries. Your ability to keep our clients' secrets safe is key.
